

Dear ACHS Band family,

In an effort to keep the ACHS Band family updated about ACHS Band Activities, **Remind101**, a free text service, is being made available.

Remind101 will enable Mr. Bowman to send text messages and email notifications to the entire group (parents, and band members) all at once. It is a one-way communication tool. Using **Remind 101**, Mr. Bowman may update ACHS Band subscribers about

- Performance/practice schedule changes
- Inclement weather/cancellations
- Deadlines and due dates for payment
- Anything deemed urgent by Mr. Bowman

A few important things to note:

- **Standard text messaging rates apply.** You are responsible for any costs for text notifications from this service.
- **Permission required:** Remind101 terms of use **require children under the age of 18 to have parental consent** to use the service. Please sign permission below.
- Sign up is not required. An alternate notification system will be available for those who do not choose to participate. Please notify Laurie Hansen lauriepatti@comcast.net for more information.

Remind101 is a one-way message system; the entire group will receive the same message simultaneously, depending, of course, on how quickly a cell phone receives messages. Also, consider poor connectivity or errors due to poor cell service (no bars) at any given time or in certain geographic areas. You cannot reply to these notifications.

Email Laurie Hansen for issues with sign up at lauriepatti@comcast.net.
