Volunteering

Booster Organization helps run the band. Active parent participation is encouraged, we keep it fun! Please be sure to STOP BY SCHOOL and register on the VIPS system so you can volunteer.

Please note that only volunteers who have registered on the website to help at the games will receive free entry to the football games.

For the 1st few weeks of games please register online MORE THAN 24 hours in advance and be sure to fill out the special supplemental form—if not you will be denied (by Atlantic Staff) to volunteer.

Ken turned the meeting over to Mr. Bowman.

Fair Share: fundraise towards a student's equal portion to run the band. Marching Band is \$500. Many fundraisers are held throughout the year. Students will receive monthly balances to see how much of their fair share still needs to be raised. Once you reach your fair share you might want to keep fundraising since you can roll over your fair share and we will hopefully be planning a trip.

Band Budget for 2014-2014 is approximately \$70,000. County contributes at the most, \$4,000 and these monies are restricted to music, instrument repairs, etc.

Community Sponsors/Business Partnerships/Underwriting
After fair share and what the county contributes, the remainder is raised from community and business contributions. Please be in touch with a board member if you know of an individual or business that would like to be a sponsor of the band.

Attendance

Absences hurt everyone, especially in Marching Band. Please make sure your students are available for all rehearsals and performances.
